## Collier Diamond C Club Calf Sale Set April 23 At Stephenville, Texas

Stephenville—John B. Collier IV, manager, has announced that the Collier Diamond C Ranch's annual club calf sale will be held at the ranch showfarm 10 miles north of Stephenville on Highway 281 beginning at 12 noon, Saturday, April 23, 1977. The offering of 50 halfblood and three-quarter blood Simmental steer calves will be carefully selected from several hundred head at the Diamond C Ranch. Club steers from previous Collier Diamond C special calf sales or private treaty purchase at the ranch have made an impressive record of winning. Most recently, in the 1977 Erath County Junior Livestock Show held Monday, March 21, 1977, Diamond C steers were judged grand champion and reserve grand champion of the show for their exhibitors. The champion sold for \$2,000 and the reserve champion for \$1,300. Overall, the Simmental crosses outsold the other entries by an average of \$250 per head. There were a total of 92 head in the judging at Stephenville. Earlier, exhibitors of calves ob-

John Legerski - owner of Sheridan Meat Co. (U.S.D.A. Government) inspected packing plant in Wyoming said:

"We would like to see a lot more carcasses like these Pinzgauer steers. They were high in quality and cutability, not a single wastey carcass in the bunch."

was not on urgent acquisition but a studied one. Buyers are still selective as to their needs and sort through the supplies for big framed, thrifty offerings, while shunning or discounting the short bodied early maturing types.

Rains over a good part of the grazing areas stimulated the demand for thin calves and lightweight yearlings suitable to graze. There was also a good demand on steers over 700 lbs. and heifers over 650 lbs. suitable for feedlot entry and the reason for this may be that for the last two years there has been an appreciable price rise on fed cattle in April, 1975 rose and peaked from March to June and faltered thereafter while 1976 rose from late March through April but faltered thereafter.

## Seven States Sheep On Feed Up 5%

Washington, Mar. 16 (USDA) — There were 640,000 sheep and lambs on feed in the seven selected states on March 1, 1977, an increase of 5% from the number being raised for slaughter marked a year ago but 10% below March 1, 1976. March 1, 1977 total was the lowest since the seven states started in 1959 and showed a 4% increase over the previous year, 1976.

Sheep and lambs placed on feed during January-February, at 40% head, increased 11% from the same period a year earlier while the January-February marketing deficit 11% to 704,000 head.

The early lamb crop in California, Kansas, and Texas totaled 1,782,000 head, down 21% from a year ago. The January 1 inventory of ewes one year old and older for these states was down 2% from a year earlier.

**DRINKING TANK PROBLEMS SOLVED**  
 As well as all reservoirs and spray tanks. Lifetime Tank Coatings for steel plate tanks, corrugated galvanized iron tanks, and rock and concrete tanks. Thousands of these tanks of assorted sizes have been restored to be better than a new tank, not coated. Over 3 million pounds now in service since 1968. Stop all leaks, any size hole or crack. Prevent rust forever. A new tank properly coated will not be replaced in a lifetime. Anyone can apply by brush. Not a paint, the only waterproof, known, that prevents the hardness of concrete. Write or call for our catalog. All orders shipped same day received. This is our 27th year.

# Colina Sets 1st Santa Gertrudis Sale On April 16

Commercial and purebred cattlemen will have an unusual opportunity April 16 to buy top-quality range-raised Santa Gertrudis breeding stock at the first Herd-Builder sale at El Collina Ranches at Walnut Springs, Texas. The event is the result of several years' planning and nearly a year of intense preparation by ranch personnel and Vernon and James Smith, owners of the 18,000-acre ranches located 85 miles south and west of Cleburne.

The main objective of the sale, "something for everybody," is shown in the large offering of every cattle class to meet the needs of all types and sizes operations. This wide selection of 175 lots includes 120 pairs and bred females, 30 service-age bulls, 15 fifteen-to-eighteen month old bulls, 8 eighteen-month-old high quality open heifers, and a special offering of 12 top-quality twelve-month-old bull and heifer calves.

Vernon Smith pointed out that the Apache and other leading bloodlines of the ranch had achieved national and international recognition. In shows, sales and breeding programs, Apache's Dividend, bred and raised at the ranch was named National Grand Champion Santa Gertrudis Bull of the United States and also in Brazil.

James Smith noted the ranch is widely known for its progressive breeding techniques and conservation practices. It participates in a number of demonstration projects and is used as a teaching facility by the Texas Christian University Ranch Management Program.

The sale will begin at 12:30 p.m. Saturday, April 16, with Walter Britten, Bryan, serving as auctioneer.

# Wheat Graze-Out Plan Kaye In House

Legislation to encourage wheat producers to use a portion of their land for grazing or hay production, which passed the Senate by 72 to 22, appeared to receive a death blow in the House of Representatives when the House Agriculture Committee, by a 21 to 11 vote turned the bill down. The bill would have paid wheat growers \$1 per bushel on a farmers' established wheat crop, not to exceed 40% of the total.

A customer walked into a shoe store and asked the owner, "Do you have any loafers?" The owner answered, "Yes, we have quite a selection. If I can get one to suit you." Cheesehead: A magazine with a beautiful girl on the cover and no cover on the girl.

Judge la Harry Krug of Russell, Kansas, Auctioneer will be Bruce Brooks of Ardmore, Okla. Sale headquarters will be the Ponderosa Motel at El Reno. A social hour will be held at 8:30 p.m., April 1 followed by a 7 p.m. banquet. For information and catalogs contact the sale manager, J.
